About Graham

Graham Kendrick has been described as 'the father of modern worship music'. For over 30 year's songs such as 'Shine, Jesus Shine', 'Knowing You', 'The Servant King' and 'Amazing Love' have entered the worship repertoire of a wide range of church traditions. During his remarkable career he has combined divine inspiration with human perspiration to create an astonishing 30 studio albums, 11 compilations and 4 live recordings. These include the 2010 'Very Best of Graham Kendrick' and his most recent 2011 recording 'Banquet'.

Through these he has 'sculpted a view of God that has impacted generations' In particular Graham has sought to liberate Christianity from the language only understood by a limited number of card carrying church attenders and escape this 'Christianese' in order to communicate with a wider public. Graham works in the UK and around the world in a number of settings. An example of this is his commitment to the charity 'Compassion' that now operates in 24 countries offering help to in excess of one million children. It is a pleasure to welcome Graham to Chalfont St Giles.
